Re: Fem Soy™

Ladies/Gentlemen:

This is to notify the Food and Drug Administration that our company has begun to market Fem Soy™ Dietary Supplement in the United States, with the following statements of nutritional support included on the product's label:

Physician formulated for female health.

Soy may promote menopausal well being.

It is hereby certified that the information in this notice is complete and accurate, and that our company has substantiation that the above statements of nutritional support are truthful and not misleading.

Very truly yours,

BioTherapies, Inc.
